## Director's Message

Peafowl Academy was founded with a passion for teaching and a vision to build students' careers in the fields of Aviation, Logistics, Hospital Administration, and Beauty & Cosmetology. Everybody, at some point in life, dreams of flying high and achieving something extraordinary — but only a few take the step to make it a reality.

At Peafowl Academy, our dedicated team focuses entirely on shaping students' futures through a well-structured and practical training approach. Our programs are designed to ensure 100% success in placements across Aviation, Tourism, Hospitality, Cargo & Logistics, Hospital Administration, and the Cosmetology and Beauty Care Management industry.

Our placement-oriented training aims to create professionally qualified candidates who stand out in their chosen fields. We provide quality education, regularly updated with the latest industry standards and hiring trends.

## Vision

Our vision is to be a leading global academy, recognized for producing industry-ready professionals who make a significant impact across various fields including Aviation, Logistics, Hospitality, and Beauty management. We aspire to be a beacon of excellence, setting the benchmark for quality education, skill development, and placement services.

Through strategic partnerships with leading industry organizations, we strive to provide our students with unique opportunities for internships, real-world exposure, and global networking — reinforcing our commitment to shape future leaders across multiple professional sectors.

# Who we are ?

## Your Trusted Academy !

Welcome to Peafowl Academy, your premier destination for skill-based professional education in Aviation, Logistics, Hospital Administration, and Cosmetology & Beauty Care Management. As one of India's leading multidisciplinary academies, we are committed to deliver world-class training through a perfect blend of theory, practical exposure, and industry interaction.

Our programs include Grooming Training, Industrial and Airport Visits, First Aid Training, Internship Opportunities, and hands-on workshops that help students gain real-world experience and confidence. Our focus on quality education, advanced learning methods and industry relevance sets us apart as a trusted institution for career-focused learning.

Peafowl Academy stands as a symbol of excellence and innovation, guided by a team of experienced professionals who are passionate about shaping the next generation of global achievers. With a strong reputation for placement success and student satisfaction, we continue to inspire, train, and transform ambitious learners into skilled professionals across diverse industries.

# Our Departments

»» DEPARTMENT OF AVIATION

»» DEPARTMENT OF LOGISTICS

»» DEPARTMENT OF HOSPITAL ADMINISTRATION

»» DEPARTMENT OF HOTEL HOSPITALITY MANAGEMENT

»» DEPARTMENT OF COSMETOLOGY

## Department of Aviation

- » BBA in Aviation Management with International Diploma in Airline & Airport Management
- » BBA in Aviation Management with International Diploma in Airport Management and Logistics
- » International Diploma in Airline and Airport Management
- » International Diploma in Aviation and Hospitality Management
- » International Diploma in Aviation and Logistics Management

Our Aviation programs include BBA in Aviation Management with International Diplomas in Airline & Airport Management and Airport Management & Logistics, along with International Diplomas in Airline & Airport Management, Aviation & Hospitality Management, and Aviation & Logistics Management. These courses prepare students for careers in airlines, airports, hospitality, and aviation logistics through practical, industry-focused training. Graduates gain the skills and global exposure needed to meet international aviation industry standards. The programs emphasize professional grooming, operational knowledge, and career readiness.

# Department of Logistics

» International Diploma in Logistics and Pharmacy Warehouse Management

» International Diploma in AI Logistics & Pharma Warehousing

Our Logistics Programmes focus on modern logistics operations, pharmaceutical warehousing, and technology-driven warehouse management. The International Diploma in Logistics and Pharmacy Warehouse Management builds strong foundations in inventory control, cold chain handling, compliance standards, and warehouse operations, while the International Diploma in AI Logistics & Pharma Warehousing introduces smart logistics systems, automation, data-driven planning, and advanced warehouse technologies. These programs equip students with practical skills to meet global logistics and pharmaceutical industry requirements. Graduates are prepared for roles in logistics operations, pharma warehouses, and distribution centers with a strong focus on efficiency, safety, and accuracy.

# Department of Hospital Administration

## » International Diploma in Health Care & Insurance Administration

The International Diploma in Health Care & Insurance Administration equips students with practical knowledge in hospital operations, medical insurance processes, claims handling, patient coordination, and healthcare documentation. The program prepares graduates for administrative and support roles in hospitals, clinics, insurance firms, and healthcare service organizations.

# Department of Hotel Hospitality Management

## » International Diploma in Hotel & Hospitality Management

The International Diploma in Hotel & Hospitality Management prepares students for careers in hotels and hospitality services through training in front office operations, food and beverage service, and customer relations. The program emphasizes service excellence, professional grooming, and industry-ready skills, and offers Thailand internship opportunities for eligible students to gain international exposure.

## Department of Cosmetology

- » **International Diploma in Cosmetology & Beauty Care Management**
- » **International Diploma in Aesthetic Science**
- » **International Diploma in Beauty Therapy Management**
- » **International Diploma in Hair Styling & Care**
- » **International Diploma in Makeup Artistry**
- » **International Diploma in Nail Care & Artistry**

**International Diploma in Cosmetology and Beauty Care Management** is one of our premier programs designed to create skilled professionals in the global beauty and wellness industry.

Apart from this, Peafowl Academy also offers specialized international diploma programs in Aesthetic Science, Makeup Artistry, Beauty Therapy Management, Nail Care & Artistry, and Hair Styling & Care.

Each course is crafted to provide in-depth practical training and international exposure, empowering students to build successful and rewarding careers in the world of beauty and cosmetology.

# Academy Highlights

The Main Highlight of our academy is that, it is a place where you'll forge lifelong friendships and connections with fellow enthusiasts from around the world. Together, you'll share in the thrill of discovery and the joy of achievement, creating memories that will last a lifetime.

Here, we offer more than just education; we provide a transformative experience that prepares you for the dynamic world of possibilities.

# Our PLACEMENT SPECIALITY

Peafowl Wings – 100% Placement Support

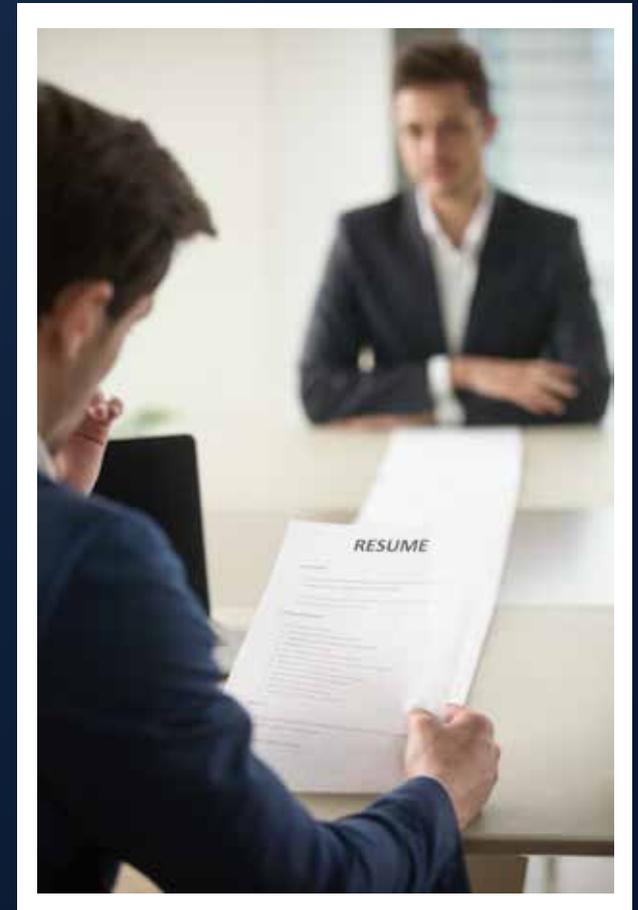

At Peafowl Academy, we take immense pride in the success of our students. Through our dedicated Peafowl Wings Placement Program, we provide 100% placement support to every student who successfully completes our course.

Our students are now proudly working across major airports in India, including:

Cochin International Airport, Bengaluru International Airport, Chennai International Airport, Mumbai International Airport, Kannur International Airport and several other leading airports across the country.

They have also secured rewarding careers with top airlines and ground handling companies such as SpiceJet, IndiGo, Air India, Star Air and many more.

We guarantee trusted placements, professional quality training, and lifelong support for our students — because our students are our pride.
